Pebble Trust Flourish Bursary - **Guidelines**

The Pebble Trust Flourish Bursary is a cash award of up to £1000 to support continuing development, open to professional artists based in the Brighton & Hove area working in dance or a movement based practice.

This development should be specific to you, but If you want to check out how past bursary recipients used their funding have a look at our blog. For further queries please phone: 01273 696844.
